MSRP	\$6,799.00
Price	\$5,895.00

### Description

The mighty **Warrior** is a heavy duty 18' landscape trailer. Small enough to be towed behind a compact pickup or SUV, but big enough to handle a 4 ton payload, this trailer promises years of reliable service and capability. The Warrior is built with a durable four-bolt adjustable hitch plate offering changeable height settings, to match the hitch height of your tow vehicle. This model comes standard with a 2-5/16" self-seating ball coupler or an optional 2-1/2" pintle ring.

For ease of operation (and to save you time), our 7,000 lb. top-wind jack reduces cranking with a convenient drop-leg feature. Simply remove the pin, lift the jack leg, and clip the pin back into place.

An innovative Zip trailer breakaway system eliminates fraying, dragging, or breaking. A sealed 7-Way SAE plug, fully wired to a weatherproof junction-box, provides a fast and secure electrical connection to your tow vehicle.

Built for quality, value, and dependability, all CAM Superline trailers come standard with LED lights, a sealed, 1-piece heat-shrunk wiring harness, and a superior 2 component finish featuring an epoxy primer and PPG polyurethane paint providing the ultimate in corrosion resistance and long-lasting durability. Back it all up with a 3-year warranty and it's easy to see - CAM Superline is your partner for the long haul! **4EC16**

GVWR: 9,996 lbs.  
Empty Weight: 2,150 lbs.
